

Specification Sheet - 2937- Art Deco close coupled WC pan & cistern

Specifications

- Made in England.
- Premium quality vitreous china bathroomware.
- WELS 3 star 6/3L per flush.
- Supplied with the GEBERIT inlet valve which can be fitted on either the right or left side and the GEBERIT TWICO II push button flush valve.
- To create an S pan we suggest the use of the McAlpine WC-CONQ elbow pan connector. We can supply these with the pan.
- Seats sold as a separate item.
- Five year warranty.
- For additional installation information, see our Plumber's Guide for this product.
- We highly recommend having each WC on site for your plumber to measure from for installation set out. Each handcrafted WC will have its own unique measurements.

A = Pan to Pipe,
B = Wall to Pipe

Ceramic connector
A = 50, B = 50

CONQ connector
A = 0, B = 110

CON8 connector
