# THE WATER/ MONOPOLY

## ROCKWELL

*Mouth-watering colours and bold curves unite  
the Rockwell collection.*

*This playful range in beautiful pastels will work magic  
in a range of interiors, from family bathrooms through  
to eye-catching hospitality fit-outs.*

# THE WATER/ MONOPOLY

PARIS

## THE PARIS BATH

The Paris bath is a reproduction of an early 20th Century French fireclay bath. It is manufactured in England from Vitrite™, a stone and mineral composite with a gloss finish that replicates the look and feel of the original bath but without the weight. It is available with or without the signature Paris bun feet, in two sizes with or without overflow and may be produced in any colour (POA). Paris waste and overflow kit available.

Length: 1665/1778mm  
Width: 822mm  
Height: 575mm (693mm with feet)  
Capacity: 300/310 Litres  
Weight: 80/120kg

THE MARTHA BATHS

Drawing inspiration from a late 19th Century French double ended bath, the Martha Bath by The Water Monopoly is a luxurious addition to both modern & traditional bathrooms.

With an opportunity to select brass or copper as the bath's base material, finish options include high polish all over, or high polished exterior with tinned interior. The high polished baths are unlacquered to patina naturally over time. This bath has 280 litre capacity and is a two man lift weighs 50kg. Length: 1730mm, Width: 700mm, Height in middle is 620mm, Height on ends is 725mm.

With a deep base and curved sides for additional comfort, the Martha inspires long hours of soaking, preferably with a glass of champagne in hand.
