Finish Options

Perrin & Rowe offers New Zealand designers and home owners a wide selection of premium quality finishes. The Cabinet Hardware Collection is available in Chrome, Nickel, Pewter, Gold, as well as Satin Brass or Polished Brass.

Chrome: A shiny finish with a hint of blue for a classical or contemporary feel.

Gold: This finish, which contains real Gold, will give a luxurious look.

Nickel: A shiny finish with a golden glow. If left, Nickel will develop an aged patina similar to silverware, with the occasional polish restoring its original gleam.

Satin brass: This is uncoated bare brass brushed for a satin look.

Pewter: A satin (brushed) Nickel finish which is the perfect complement to stainless steel sinks and appliances.

Polished brass: This is uncoated bare brass in its natural form.
